CONSERVATION

Directions from Bath:

Coming through Bath you will need to follow the A367 towards Radstock. When you reach Radstock, you will arrive at a set of double mini-roundabouts. The first of these you will need to turn left, picking up the A362 towards Frome. After a couple of miles you will reach a crossroads. Here turn right signposted to Kilmersdon onto B3139. After approximately ½ mile, before Kilmersdon, the road turns sharply to the left. On apex of bend go straight ahead on farm track marked 'Private Road'. Studio is in the barn at rear of Home Farm.
